'150 Year Old Vines' Semillon 2014

Heritage

Château Tanunda was established in 1890 and is the site of some of the first vines planted in the Barossa in the 1840s as well as the valley's first winery. The 'Old Vines' series is all about showcasing the significant history and special wine characteristics and of a selection of old vine vineyards for which the Barossa valley is world famous

Vineyard

The Barossa is home to some of the world's oldest ungrafted Semillon vines and the grapes for this wine are from the Cirillo vineyard in the renowned Vine Vale sub-region. The low yielding 'Barossa Ancestor Vines' were planted more than 150 years ago, even before the time construction of the Château itself began.

Winemaking

The grapes were hand picked, destemmed before gentle basket pressing with the juice allowed to settle before fermentation in just eight seasoned French oak barrels

This is followed by seven months' barrel maturation in our cellars with regular lees stirring to enhance aroma and structure whilst building flavor complexity.

In keeping with our non-interventionalist winemaking style we have not fined this wine.

Production: 2500 bottles

Reviews

95 Points – Gary Walsh (The Wine Front)

'Lime, honey toast, white flowers, sweet dried grass. Intense burst of flavour and acidity in the mouth, though softened and glossed up with a little barrel work and creamy lemon butter flavour and texture. Scintillating acidity and great length, all flinty and lip smacking to close, though never austere, seductive at every turn. This is dynamite.'

95 Points – Huon Hooke (www.huonhooke.com.au)

94 Points – James Halliday (Australian Wine Companion)
