Heritage

Château Tanunda was established in 1890 and is the site of the very first vines planted in the Barossa in the 1840s. “The Château” is an Australian heritage icon and its grand buildings, magnificent gardens and prime vineyards are owned by the Geber family who continue a century-old tradition of fine winemaking.

Philosophy

The Tower is the grand entrance to The Château and the Barossa Tower range is your gateway to a contemporary selection of wines for everyday drinking, from both classic and new varieties, highlighting the Barossa’s rich diversity.

Winemaking

Picked early in the morning, the fruit was delivered cool to the winery. Free run juice and cold settling preceded a long, cool fermentation. The fermentation was left to run its course over 14 days leaving a naturally sweet, vibrant wine. A touch of spritz is detectable on the palate from the residual carbon dioxide which was harnessed and bottled to retain both fruit vibrancy and freshness.

Tasting note

This light, fresh and deliciously sweet wine is the perfect aperitif. The nose is characterised by the lifted floral notes of musk and engages the palate with a natural fruit sweetness. The slight effervescence is refreshing and cleansing with fruit notes of lime and pineapple.
