

Terroirs of the Barossa 'Greenock' Shiraz 2015

Heritage

Château Tanunda was established in 1890 and is the site of some of the first vines planted in the Barossa in the 1840s as well as the Valley's first winery. The Château is an Australian heritage icon whose grand buildings, magnificent gardens and prime vineyards are owned by the Geber family. In the Barossa, the family continue their own tradition of fine winemaking which spans over three centuries.

Vineyard

The Terroirs of the Barossa highlights the special qualities of different premium sub-regions of the Barossa Valley. The grapes for this wine are from the western slopes of the Barossa in the area of Greenock where Shiraz flourishes in the brown earth, red clay and ironstone soils.

Winemaking

The individual parcel is destemmed and before going into small stainless steel open fermenters. Fermentation takes place over 7 days on skins at 28° C in the open fermenters with hand plunging and pumpovers twice per day. The wine is gently basket pressed and moved to barrel for malolactic fermentation.

It then undertakes further maturation in a mixture of French and American Oak for 18 months resulting in a wine of great structure and finesse. Unfined and unfiltered.

Tasting Notes and Reviews

95 Points – James Halliday Wine Companion 2018

A wine transparent of archetype and ambition: saturated, molten black fruit flavours melded to lavish oak-grip and spice. The alcohol, while pushing envelopes, somehow refrains from singing the throats and nostril hairs. The tannin management is impeccable, grape and oak manifests orchestrated effortlessly to serve as a colander for the thick fruit extract.

Gold Medal – Berlin Wine Trophy 2017

pH:	3.3	Closure:	Cork
TA:	6.9 g/L	Maturation:	18 months' French and American oak
RS:	>0.5 g/L	Potential Cellaring:	7- 10 Years
Alc/Vol:	15%	Winemaker:	Neville Rowe
